Hi Joe,

Apologies for the delay in the correspondence, please see below for more information on the performances:

- The Salvation Army Southern California Divisional Youth Band's music is more upbeat, brass band and incorporates marches.
- There would be an approximate maximum of 30 band members from the ages of 14 to 30.
- Their performance can be anywhere from 45 to 60 minutes (please let us know which is preferred) and their preferred times for performance are 7 PM, 8 PM or 9 PM.
- 

It would be great if The Salvation Army can have a slot for the private ship tour also on August 30 before the band performance, possibly: 5 PM or 6 PM.

Hi Arley,

I just wanted to re-check on the interests/availability of Battleship Iowa for the Sunday Morning Service on September 2. Our church in San Pedro is interested and their normal schedules of the Sunday Service begins at 9:30 AM with Bible Study followed by Worship Service at 11 AM. There would also be a band (potentially not as large as the Divisional Youth Band).

For the community relations project, we would like to express our interests in scheduling for a session on September 1 from 10:30 AM to 3:30 PM. This project would be to relocate our Veteran's accommodations from one location to another. If needed, we can share pictures along with approximate number that would be needed.

Hi Jenny,

I'll aim to share all agencies that I have shared the coming event to next week!

Within this month, I am aiming to share the "Exhibitor Opps and Agreement" forms, but would like to share to all that we are looking at the Humanitarian Village and possibly the Veteran's Village as well.

Please let me know if there's any questions and have a great weekend!

Best Regards,

Nick

Nicholas,

Happy to help, I am beginning to work out the details of the event for August 30th, we are going to have a "Hollywood Theme" and so far have the Satin Dollz confirmed for 2x 45 minute performances and will also have a strolling Marilyn Monroe rooming the streets for photo ops.

the stage will be somewhere on 6th street in downtown San Pedro.

What kind of music does the youth band play and what is a desired performance length for the best show? We have a couple other performers in the mix, bob hope uso, navy band southwest, satin dollz, and of course the locals always want to play.

Thank you!

Happy Monday Lorena!

I wanted to connect you, very belatedly (my apologies) with Nicholas Nguyen at the Salvation Army. The SA's Youth Band may be able to play at LAFW's Wednesday Welcome Party.

Nicholas,

We can certainly arrange a special group ship tour for SA on Wednesday or Thursday, August 30-31. Please start looking at your team's best time to visit for this tour and let me know the size of the group that you think might take a tour.

Hi Arley,

Following up on yesterday's initial planning conference, I would like to share more information regarding our involvement.

For the Youth Band's performance during the Downtown San Pedro Welcome Party on Wednesday Aug 30, can you please share available times for the performance along with anticipated on-stage window? Would the performance be 30 minutes, 1 hour, etc? In addition to the performance, can we be included in the attendees Special Ship Tours?

For the Humanitarian Village, I will share the dimensions to Mike Shatynski regarding The Salvation Army's display. I will share to Jonathan Williams (already in correspondence regarding joining the Sponsorship Committee) once I have more confirmed attendance from other agencies. In addition to our presence within the Humanitarian Village, we are also interested in having a booth in the Main Expo Hall.

We also cannot confirmed regarding the Sunday Morning Service on September 3 at this time. Once we do have an update, we'll be sure to share.

For the COMMREL projects, we do not have a confirmed event yet at our Haven facility located at the West Los Angeles Veterans Affairs Healthcare

Center. Once we do have an update, we'll be sure to share.

We also have an interest with joining the Veterans Village and Alexis (who was also in-attendance yesterday) can follow-up with more information.

Please do let us know if there are any questions.

Best Regards,

Nick
